The NLT Daily Reader's Bible offers the promise of reading the entire Bible in one year. Each day's reading includes three passages—a selection from the stories of the Bible; another from the teachings of the Bible, including the prophetic books of the Old Testament, and the letters of the New Testament; and a third from the wisdom of the Bible. The entire text of the Bible is uniquely arranged for daily reading that can be completed in about 15 minutes per day.
